

FIELD TRIPS

Twelve field trips are proposed for the next SGA2015. Except the field trip n°7 in the Caucasus, post-conference field trips have been favored with starting point the 29th August, 2015. These field trips will be a nice opportunity to discover the metallogeny of South Europe and North Africa which expose various types of mineral deposits.

The 1:5 Million International Geological Map of Europe and Adjacent Areas - IGME 5000

1. Pb-Zn DEPOSITS OF THE VARDAR ZONE, KOSOVO

- 3 or 4 days - Post-conference - Starting point: Prishtina International Airport Adem Jashari
- Leaders: J. PRSEK and J. KOLODZIEJCZYK
- **Contact:** prsek@geol.agh.edu.pl

2. PRECIOUS AND BASE METALS IN ANTI-ATLAS AND HERCYNIAN BELTS, MORROCO

- 6 days - Post-conference - Starting point: Casablanca
- Leaders: J. CAUZID, M. BOUABDELLAH and A. CHEILLETZ
- **Contact:** jean.cauzid@univ-lorraine.fr, mbouabdellah2002@yahoo.fr or alain.cheilletz@univ-lorraine.fr

3. RARE METAL GRANITES AND W DEPOSITS OF THE FRENCH MASSIF CENTRAL

- 3 days - Post-conference - Starting point: Limoges - France
- Leaders : M. CUNEY and Ch. MARIGNAC
- **Contact:** michel.cuney@univ-lorraine.fr

4. GEOLOGY-SOIL SCIENCES-TERROIRS AND BURGUNDY WINES

- 4 days - Post-conference - Starting point: Dijon - France
- Leaders : H.SIDER
- **Contact:** herve.sider@univ-lorraine.fr

5. RARE METAL ORE DEPOSITS OF THE ERZGEBIRGE AND THEIR POTENTIAL FOR FUTURE TECHNOLOGIES

- 4 days - Post-conference - Starting point: Freiberg (Free State of Saxony) / Germany
- Leaders : Th. SEIFERT
- **Contact:** thomas.seifert@mineral.tu.freiberg.de

6. THE CAPARTHIAN PORPHYRY AND EPITHERMAL DEPOSITS

- 4 days - Post-conference - Starting point: Cluj Napoca Interantional Airport (Avram Iancu), Romania
- Leaders : C. TAMAS, L. BAILLY, S. UDUBASA and A.S. ANDRE-MAYER
- **Contact:** calingtamas@yahoo.fr

7. THE EPITHERMAL AND PORPHYRY IN CAUCASUS (GEORGIA AND ARMENIA)

- 8 days - Pre-conference - Starting point: To be defined
- Leaders : R. MORITZ
- **Contact:** Robert.Moritz@unige.ch

8. Cu-Pb-Zn-Fe MINERALIZATIONS, GEOLOGY, AND ARCHAEOLOGY OF THE LAVRION AREA, GREECE

- 3 days - Post-conference - Starting point: Athens International Airport
- Leaders : A. TARANTOLA, O. VANDERHAEGHE, D. MORIN, Ch. SCHEFFER, A. PHOTIADES, P. VOUDOURIS
- **Contact:** alexandre.tarantola@univ-lorraine.fr

9. CENTRAL PYRENEES METALLOGENIC BELT

- 2 days - Post-conference - Starting point: Toulouse
- Leaders : S. SALVI and D. BEZIAT
- **Contact:** stefano.salvi@get.obs-mip.fr

10. ONE DAY EXCURSION AROUND NANCY

- 1 Day - Post-conference - Friday 28th august
- 10A. S^{te} Marie-aux-Mines (Co-Ni-Ag old mines) - M. Ohnenstetter - maryse.ohnenstetter@univ-lorraine.fr
- 10B. Varangéville salt mine - Salins du midi - E. Hertz - anne-sylvie.andre@univ-lorraine.fr
- 10C. ANDRA nuclear waste underground laboratory - J. Sterpenich - jerome.sterpenich@univ-lorraine.fr

11. W-Sn AND Au DEPOSITS IN NW IBERIA, SPAIN AND PORTUGAL

- 5 days - Post-conference - Starting point: Porto
- Leaders : F. TORNOS, J. RELVAS, A. PINTO
- **Contact:** jrelvas@fc.ul.pt or ftornos@cab.inta-csic.es

12. POLISH KUPFERSCHIEFER, LUBIN, POLAND

- 3 or 4 days - Post-conference - Starting point: To be defined
- Leaders : A. PIESTRZYNSKI, W. ZYGO, T. CWIERTNIA
- **Contact:** piestrz@geolog.geol.agh.edu.pl
